NOTICE TO PROPOSERS

Aldine Independent School District will evaluate and qualify vendors for **Awards, Incentives and Spirit Apparel** by accepting sealed proposals on its eBid system until

May 31, 2024 at 4:00 pm

Although, May 31, 2024 is the latest date to respond, vendors should submit responses to the proposal immediately to be considered for the approved vendor list. Each month prior to May 31, 2024, the purchasing department will evaluate and submit vendors for approval by the Board of Trustees.

If a vendor does not respond, the vendor will not appear on the approved vendor list, and will not be allowed to do business with Aldine ISD.

NOTE: If you are currently awarded on the Awards, Incentives and Spirit Apparel RFP# PURCH 1819-2 that expires on June 30, 2024, then you must still submit this RFP for evaluation to remain on the approved vendors list.

For specifications register in Aldine ISD e-Bid system. To register visit www.aldineisd.org click on “Community”, “Vendor Bids” then “eBid-Electronic Bids”.

Aldine reserves the right to reject any or all proposals, to split RFP's, to accept any proposal deemed most advantageous to the district, and to waive any informalities.

Your participation in this process is highly encouraged and appreciated.
